

# Oregon Advance Directive

## **PART A: Important Information about this Advance Directive**

This is an important legal document. It can control critical decisions about your health care. Before signing, consider these important facts:

### **Facts About Part B (Appointing a Health Care Representative)**

You have the right to name a person to direct your health care when you cannot do so. This person is called your “health care representative”. You can do this by using Part B of this form. Your representative must accept on Part E of this form.

You can write in this document any restrictions you want on how your representative will make decisions for you. Your representative must follow your desires as stated in this document or otherwise made known. If your desires are unknown, your representative must try to act in your best interest. Your representative can resign at any time.

### **Facts About Part C (Giving Health Care Instructions)**

You also have the right to give instructions for health care providers to follow if you become unable to direct your care. You can do this by using Part C of this form.

### **Facts About Completing This Form**

This form is valid only if you sign it voluntarily and when you are of sound mind. If you do not want an advance directive, you do not have to sign this form.

Unless you have limited the duration of this advance directive, it will not expire. If you have set an expiration date, and you become unable to direct your health care before that date, this advance directive will not expire until you are able to make those decisions again.

You may revoke this document at any time. To do so, notify your representative and your health care provider of the revocation.

Despite this document, you have the right to decide your own health care as long as you are able to do so. If there is anything in this document that you do not understand, ask a lawyer to explain it to you.

You may sign PART B, PART C, or both parts. You may cross out words that don't express your wishes. Witnesses must: sign PART D.
