

# COMFORT HOSPICE

— *and Palliative Care* —

Come grow with us! Comfort Hospice and Palliative Care is a new hospice provider in the Portland area. If you are looking for an opportunity to be a part of a dynamic service delivery program that values and holds sacred the care of people in the end of their life, then you must come work with us. We are looking for RN's, MSW, Chaplain and CNA's as well as office management support that thrive on holistic, interdisciplinary service. As an RN case manager, you will direct the overall care of assigned hospice patients by providing nursing assessment, planning and care to maximize comfort and quality of life. You must demonstrate a commitment to the hospice philosophy of care and demonstrate excellent observation skill, sound nursing judgment and solid communication skills. You must be able to relate professionally and work cooperatively with others at all levels. There is an excellent opportunity to growth with us and become part of the leadership team. Hiring now for per visit to begin, with hourly status in near future.
