

since 1982

Your care. Our mission.

We are located in Klamath Falls, Oregon; "Oregon's City of Sunshine." Klamath County, home to Crater Lake National Park, is located in the southern part of the state and borders California and the eastern slope of the Cascade Mountains. The high-desert climate boasts an average of 290 – 300 days of sunshine per year, while still permitting a four-season climate. The wetlands and woodlands of the vast Klamath Basin nurture a staggering array of wildlife. Outdoor recreation is a premiere attraction: from hiking, biking, canoeing, sailing, fishing, skiing, and snowmobiling to visiting our museums, antique shops, art galleries, and theaters. Klamath has something for everyone!

Klamath Hospice, Inc. is seeking a...

Clinical Team Leader, RN

Established hospice, serving the community for 28 years, is recruiting for a Clinical Team Leader, RN to join our interdisciplinary team. Position coordinates hospice clinical teams and is responsible for oversight of planning, implementation and delivery of clinical services. The CTL is able to perform all functions of the RN in planning, coordinating, providing and documenting care for terminally ill patients from day of admission through day of discharge, and may do so when necessary. Position is full-time and offers an excellent benefit package including fully paid medical, dental, short/long term disability, and up to 25 days of paid time off.

Requirements:

- Graduate of an accredited school of nursing. Prefer baccalaureate degree in nursing.
- Current Registered Nurse licensure in the State of Oregon (and ability to obtain California license).
- Experience as an RN commensurate with one of the following:
 - One year acute care experience within the last three years;
 - One year home health care experience within the last three years;
 - One year community health or public health experience within the last three years;
 - One year hospice experience within the last three years;
 - Or, have a baccalaureate degree in nursing from a program accredited by the National League of Nursing.
- Minimum of two (2) years supervisory experience in health care field.
- Computer literacy with Microsoft Office programs.
- Possess valid state driver's license and reliable automobile, and be willing to operate personal car as necessitated by nature of job.
